

Conciliation Housing Accessibility Modification Program (CHAMP)

A program designed to improve the physical access of rental units for people with disabilities using housing vouchers.

Who Qualifies for a CHAMP grant?

To be eligible, a family must use a housing voucher, have a member with a disability, reside in Baltimore County, and have a signed lease.

The Conciliation Housing Accessibility Modification Program (CHAMP) provides funding for structural modifications to rental units to address the needs of individuals with various disabilities including, but not limited to, modifications for those using wheelchairs, who are deaf or hard of hearing, or have mobility or vision impairments.

Baltimore County Department of Planning
HOUSING OPPORTUNITIES
The Jefferson Building, Suite 201

105 West Chesapeake Avenue, Towson, Maryland 21204
hamp@baltimorecountymd.gov 410-887-6055 MD Relay: 711

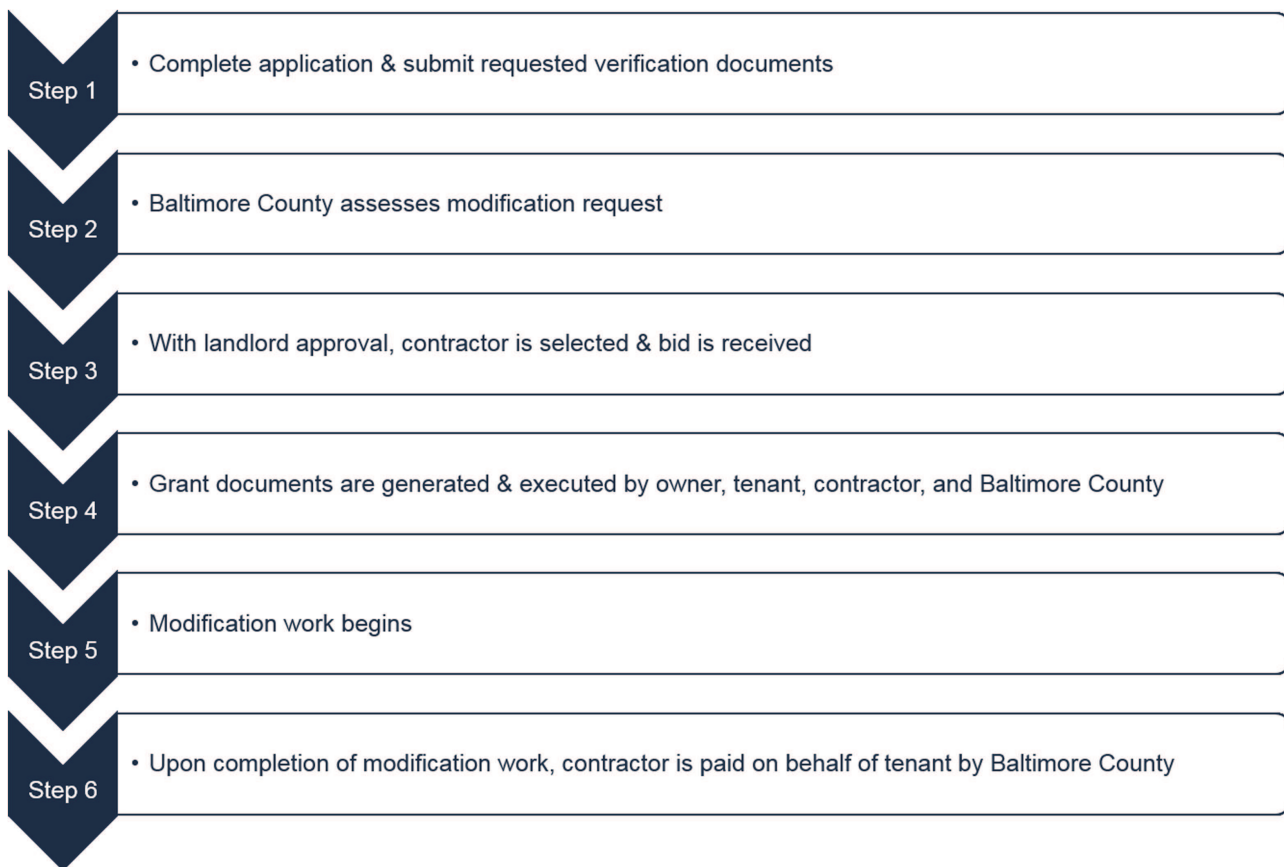

What modifications are allowed under CHAMP?

Modifications are based on a disabled family member's particular needs and may include the installation of wheelchair ramps/lifts, renovations to bathrooms and kitchens, grab bars, flashing doorbells, or lighting changes. Each request is reviewed on a case-by-case basis. Prior to approval, requests are reviewed by the Planning Department and modifications must be approved by the landlord.

All work must be done by licensed and insured contractors, selected by the tenant. The Department of Planning maintains a list of local contractors who have experience with modifications.

Who performs the modification?

What are the steps?

To apply, simply contact the Department of Planning, Housing Opportunities at 410-887-6055. Funding will be awarded after consideration of each application on a first-come, first-served basis as long as funding is available.

Applications can also be found online:
